President Trump announced a followup of his ongoing trade war directed against China.

In May, he ordered the increase of tariffs on Chinese imports from 10 % to 25%, affecting a commodity flow of 200 billion dollars.

President Trump fails to understand that these trade restrictions directed against China are largely detrimental to the U.S. economy.

"The Yellow Peril is back"

"America's is trying to contain China"

"China is destroying our economy." China is leading in 5G Technology

It's a New Cold War. Incisive video by the Soap Box.
