Rep. Dennis Kucinich

Former presidential candidate Rep. Dennis Kucinich delivered one of the most passionate addresses Tuesday night. “Wake up, America. We went into Iraq for oil. The oil companies want more,” Kucinich said. “War against Iran will mean \$10-a-gallon gasoline. The oil administration wants to drill more, into your wallet. Wake up, America. Weapons contractors want more. An Iran war will cost 5 to 10 trillion dollars.”
