Our hope and belief was that "the Big Lie" would one day be crushed by the undeniable weight of the Truth. We still hold on to this hope.

A witch-hunt is being waged against independent journalists, renowned academics, scientists and politicians who have the courage to confront the "narrative" imposed by powerful financial interests.

The unspoken objective is to sustain government propaganda and "fake news" by the mainstream media while systematically curtailing freedom of expression and independent analysis.

When the Lie becomes the Truth, there is no moving backwards.

Censorship did not occur overnight. September 11, 2001 (9/11) has greatly influenced the way the media expresses itself.
