*Guest is **Florian Schilling**, Scientific director of a company near Munich, which produces natural manufactures. He is a naturopath and former project manager at the Bumrungrad International Hospital Bangkok: Research projects in the field of Transnational Science.*

This session is about the immune escape in mRNA-injected individuals. Why the “vaccination” campaigns won’t work and the vaccinated will never achieve full immunity again – and herd immunity is thus permanently “history”.

- On the updated “vaccines” – what to think and expect from them.
- Outlook for the situation in the fall, what the politicians are planning and how one can prepare oneself in the best possible way.
