We are at the crossroads of one of the most serious crises in World history. We are living history, yet our understanding of the sequence of events since January 2020 has been blurred.

Worldwide, people have been misled both by their governments and the media as to the causes and devastating consequences of the Covid-19 "pandemic".

The unspoken truth is that the novel coronavirus provides a pretext and a justification to powerful financial interests and corrupt politicians to precipitate the entire World into a spiral of mass unemployment, bankruptcy, extreme poverty and despair.

Video: Michel Chossudovsky provides a broad picture of the ongoing crisis which is destroying people's lives Worldwide. First recorded in September 2021.

The Worldwide Corona Crisis, Global Coup d'État Against Humanity

by

Michel Chossudovsky

From the very outset in January 2020, people worldwide were led to believe and accept the existence of a rapidly progressing and dangerous epidemic. Media disinformation and the fear campaign were instrumental in sustaining the COVID-19 narrative. Scientific lies and falsehoods have been used to sustain the legitimacy of the COVID-19 policy mandates including lockdowns, the imposition of the face mask, social distancing and the suppression of fundamental human rights.

People worldwide were led to believe that Big Pharma's COVID-19 vaccine injections were the "solution".

A structure of "Global Governance" dominated by powerful financial interests is unfolding which undermines democracy and the institutions of civil society. More than 7 billion people worldwide are directly or indirectly affected by the corona crisis and the destructive mandates implemented by morally depraved national governments. The entire planet is in state of economic and social chaos.

Michel Chossudovsky reviews in detail how this insidious project "destroys people's lives". He provides a comprehensive analysis of everything you need to know about the "pandemic" — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

"My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the "deadly" COVID-19 "vaccine". This crisis affects humanity in its entirety: almost 8 billion people.

We stand in solidarity with our fellow human beings and our children worldwide. Truth is a

powerful instrument.”

As a means to reaching out to millions of people worldwide whose lives have been affected by the corona crisis, we have decided in the course of the next few weeks to distribute **the eBook for FREE**.
