This painting by Italian artist Walter Molino was published in the Italian newspaper La Domenica del Corriere in 1962.

He imagined the Singoletta as the solution to traffic congestion.

But more than just being the future of mass transportation, doesn't this painting depict what life looks like in the succeeding years as a measure against the novel coronavirus?

...

This painting was done by artist Walter Molino in 1962... And he titled it "Life in 2022" !!!
