

War, Terrorism and the Global Economic Crisis. Ninety-nine Interrelated Concepts

By [Prof Michel Chossudovsky](#)
Global Research, June 16, 2024

Theme: [Global Economy](#), [Media Disinformation](#), [Terrorism](#), [US NATO War Agenda](#)

First published by Global Research on Christmas Day, December 25, 2015, this text provides a broad overview. (It has not been updated. It does not include the corona crisis and the Ukraine war).

Everything is interrelated: war, terrorism, the police state, the global economy, economic austerity, financial fraud, corrupt governments, poverty and social inequality, police violence, Al Qaeda, ISIS, media disinformation, racism, war propaganda weapons of mass destruction, the derogation of international law, the criminalization of politics, the CIA, the FBI, climate change, nuclear war, Fukushima, nuclear radiation, crimes against humanity, The China-Russia alliance, Syria Ukraine, NATO, false flags, 9/11 Truth,

An overall understanding of this Worldwide crisis is required: the last section deals briefly with reversing the tide of war, peace-making, instating social justice and real democracy.

This article includes a compendium of relevant citations (from my writings) pertaining to different dimensions of this global crisis. Citations from other authors are indicated in italics.

The hyperlinks in each of the paragraphs indicate the original source of the quotation.

The Globalization of War. America's Long War against Humanity

1. The US has embarked on a military adventure, "a long war", which threatens the future of humanity. US-NATO weapons of mass destruction are portrayed as instruments of peace.

2. [Major military and covert intelligence operations are being undertaken simultaneously in the Middle East, Eastern Europe, sub-Saharan Africa, Central Asia and the Far East.](#) The US military agenda combines both major theater operations as well as covert actions geared towards destabilizing sovereign states.

3. "[The] Five-year campaign plan [includes]... a total of seven countries, beginning with Iraq, then Syria, Lebanon, Libya, Iran, Somalia and Sudan." General Wesley Clark in "Winning Modern Wars" (page 130)

4. In 2005, former Vice President Dick Cheney hinted, in no uncertain terms, that Iran was "right at the top of the list" of the "rogue enemies" of America, and that [Israel would, so to speak, "be doing the bombing for us without being asked"](#), i.e without US military

involvement and without us putting pressure on them “to do it”. This foreign policy stance still prevails under Obama.

THE 9/11 COMMISSION REPORT

FINAL REPORT OF THE NATIONAL COMMISSION ON
TERRORIST ATTACKS UPON THE UNITED STATES

9/11 and The Global War on Terrorism (GWOT)

5. The “war on terrorism” is a war of conquest. Globalization is the final march to the “New World Order”, dominated by Wall Street and the U.S. military-industrial complex.

6. [September 11, 2001 provides a justification for waging a war without borders.](#) Washington’s agenda consists in extending the frontiers of the American Empire to facilitate complete U.S. corporate control, while installing within America the institutions of the Homeland Security State.

7. “The forbidden truth” is that Western governments including US, UK, France, NATO and Israel -while waging a self-proclaimed “Global War on Terrorism”- routinely provide covert support to the same terrorist entities which are the object of their “humanitarian wars” and “counter-terrorism operations”.

War and the Economic Crisis

8. In all major regions of the world, the economic recession is deep-seated, resulting in mass unemployment, the collapse of state social programs and the impoverishment of millions of people.

9. [The economic crisis is accompanied by a worldwide process of militarization](#), a “war without borders” led by the United States of America and its NATO allies. The conduct of the Pentagon’s “long war” is intimately related to the restructuring of the global economy.

10. *“The Pentagon’s ‘black’ operations, including the intelligence budgets nested inside it, are roughly equal in magnitude to the entire defense budgets of the UK, France or Japan, and ten percent of the total.”* (Tom Burghardt)

11. An outright “economic war” resulting in unemployment, poverty and disease is carried

out through the free market. [People's lives are in a freefall and their purchasing power is destroyed.](#) In a very real sense, the last twenty years of global "free market" economy have resulted, through poverty and social destitution, in destroying the lives of millions of people.

12. [Vast amounts of money wealth are acquired through market manipulation.](#) Often referred to as "deregulation", the financial apparatus has developed sophisticated instruments of outright manipulation and deceit.

13. With inside information and foreknowledge, major financial actors, using the instruments of speculative trade, have the ability to fiddle and rig market movements to their advantage, precipitate the collapse of a competitor and wreck havoc in the economies of developing countries.

14. What is at stake is a process of "financial cleansing" whereby the "too big to fail banks" in Europe and North America (e.g. Citi, JPMorgan Chase, Goldman Sachs, et al) displace and destroy lesser financial institutions, with a view to eventually taking over the entire "banking landscape".

15. The underlying tendency at the national and global levels is towards the centralization and concentration of bank power, while leading to the dramatic slump of the real economy.

Greece: Austerity Measures

16. The creditors will use Greece's multibillion debt obligations as means to impose deadly macro-economic reforms which will serve to destabilize the national economy and further impoverish the population. These are referred to by the IMF as "policy conditionalities", which enable the creditors to essentially dictate economic and social policy.

17. The creditors are largely interested in acquiring real wealth within the national economy, namely the acquisition of Greece's national banking institutions, its public enterprises, its agricultural land, etc.

Disinformation, Media Propaganda and the CIA

18. [Disinformation is routinely "planted" by CIA operatives in the newsroom](#) of major dailies, magazines and TV channels. Outside public relations firms are often used to create "fake stories".

19. *"A relatively few well-connected correspondents provide the scoops, that get the coverage in the relatively few mainstream news sources, where the parameters of debate are set and the "official reality" is consecrated for the bottom feeders in the news chain."* ([Chaim Kupferberg in relation to 9/11 media coverage](#))

20. To sustain the war agenda, these "fabricated realities", funneled on a day to day basis into the news chain must become indelible truths, which form part of a broad political and

media consensus. In this regard, the corporate media –although acting independently of the military-intelligence apparatus, is an instrument of this evolving totalitarian system.

“Islamic Terrorism” and the Human Mindset

21 [Al Qaeda-ISIS concepts](#), repeated ad nauseam have potentially traumatic impacts on the human mind and the ability of normal human beings to analyze and comprehend the “real outside World” of war, politics and the economic crisis.

22. Al Qaeda constitutes a stylized, fake and almost folkloric abstraction of terrorism, which permeates the inner consciousness of millions of people around the World.

The Islamic State Caliphate Project (ISIS/ISIL/Daesh)

23 Those who ordered the bombing campaign are those who are behind the Caliphate Project.

24. The Islamic State militia, which is currently the alleged target of a US-NATO bombing campaign under a “counter-terrorism” mandate, is supported covertly by the United States and its allies.

25. The ISIS terrorists are the foot soldiers of the Western alliance. While America claims to be targeting ISIS, in reality it is protecting ISIS. The air campaign is intent upon destroying Syria and Iraq rather than “going after the terrorists”.

26. [A complex network of Al Qaeda affiliated terrorist organizations](#) overseen by US and allied intelligence agencies has unfolded, extending across the Middle East, North Africa, sub-Saharan Africa, Central Asia, Western China, South and South East Asia.

27. [The Islamic State of Iraq and the Levant \(ISIL\) is a creation of US intelligence.](#)

Washington’s “Counter-terrorism Agenda” in Iraq and Syria consists in Supporting the Terrorists.

28. The incursion of the Islamic State (IS) brigades into Iraq starting in June 2014 was part of a carefully planned military-intelligence operation supported covertly by the US, NATO and Israel.

29. Without Western support, according to Vladimir Putin, the terrorists would not have been able to gain control over entire regions of the country. “*The so-called Islamic State [ISIS] has*

taken control of a huge territory. How was that possible? (Vladimir Putin's speech to the Valdai Conference, October 2015)

Western Special Forces are Assisting the Terrorists in Syria

30. [Western special forces and covert intelligence agents](#) including British SAS, French Parachutistes, CIA, MI6 and Mossad have integrated rebel ranks.

31 Their activities are not limited to training. They are routinely involved in overseeing the conduct of terrorist operations on the ground together with Turkish and Qatari special forces, as well thousands of mercenaries recruited from Muslim countries.

32. [The French have been actively involved in Syria since the outset of the insurgency on the ground](#) in liaison with their US, British and Israeli counterparts. In February 2012, 13 French military officers were arrested in Homs pointing to the presence of foreign troops on Syrian soil inside rebel ranks.

America's Allies: Support to the Islamic State by Saudi Arabia, Qatar, Turkey

33 Saudi Arabia, Turkey, Pakistan, Qatar, Jordan, et al. have been involved in recruiting, training and financing Islamic terrorists.

34. A large number of ISIS mercenaries are convicted criminals released [from Saudi prisons on condition they join the ISIL. Saudi death row inmates were recruited to join the terror brigades.](#) (January 23, 2013)

35 The practice of beheading civilians by ISIS operative in Syria emanates from Saudi Arabia.. [The ISIL's practice of beheadings](#) is part of the US sponsored terrorist training programs implemented in Saudi Arabia and Qatar.

Israel and the Islamic State

36 Netanyahu does not deny that his government's support of the terrorists in Syria. The IDF top brass has acknowledged that "global jihad elements inside Syria" are supported by Israel

37 The State of Israel collaborates with the French authorities in the Charlie Hebdo counterterrorism operation, while also [supporting the two main terrorist entities in Syria: the Islamic State \(ISIS\) and Al Nusrah.](#)

The Criminalization of the State

38 The "Criminalization of the State", is when war criminals legitimately occupy positions of authority, which enable them to decide "who are the criminals", when in fact they are the criminals.

Wars of Aggression are in Violation of International Law and the UN Charter

39 [The US, France, Britain are the aggressor nations against Syria.](#) They cannot under any circumstances invoke the Right of Self-defense.

40 In contrast, Syria is the victim of foreign aggression and has the Right to Self-defense under Article 51 of the UN Charter which states that: *“Nothing in the present Charter shall impair the inherent right of collective or individual self-defence if an armed attack occurs against a member of the United Nations”* ,

War Crimes

41 The US-NATO led war applied Worldwide is a criminal undertaking under the disguise of counter-terrorism. [It violates the Nuremberg Charter, the US constitution and the UN charter.](#)

Nuremberg Trial (archive photo, right)

42 According to former chief Nuremberg prosecutor Benjamin Ferencz, in relation to the 2003 invasion of Iraq: “a prima facie case can be made that the United States is guilty of the supreme crime against humanity — that being an illegal war of aggression against a sovereign nation.” Ferencz was referring to “Crimes against Peace and War” (Nuremberg Principle VI)

43 Nuremberg Principle III relates directly to president Obama and the heads of State and heads of government of the US-NATO led coalition: *“a person who committed an act which constitutes a crime under international law acted as Head of State or responsible government official does not relieve him from responsibility under international law.”*

The Clash of Civilizations: Worldwide Campaign against Muslims

44. A good versus evil dichotomy prevails: a *“Clash of Civilisations”*.

45. The West has a “Mission”: “We must fight against evil in all its forms as a means to preserving the Western way of life.” The perpetrators of war are presented as the victims.

46. The “Global War on Terrorism” (GWOT) directed against Al Qaeda launched in the wake of 9/11 is evolving towards a [full-fledged “war of religion”, a “holy crusade” directed against the Muslim World.](#)

47. [A “war of religion” is unfolding, with a view to justifying a global military crusade.](#) In the inner consciousness of many Americans, the “holy crusade” against Muslims is justified.

48 While President Obama may uphold freedom of religion, the US inquisitorial social order has institutionalized patterns of discrimination, prejudice and xenophobia directed against Muslims.

49. Ethnic profiling applies to travel, the job market, access to education and social services and more generally to social status and mobility.

50. [The wave of xenophobia directed against Muslims](#) which has swept across Western Europe is tied into geopolitics. It is part of a military agenda. It consists in demonizing the enemy.

51. Muslim countries possess more than 60 percent of total oil reserves. In contrast, the United States of America has barely 2 percent of total oil reserves. Iraq has five times more oil than the United States.

52. A large share of the World’s oil lies in Muslim lands. The objective of the US led war is to steal and appropriate those oil reserves. And to achieve this objective, these countries are targeted: war, covert ops, economic destabilization, regime change.

US-NATO Threatens Russia and China

53. The “Communist threat” of The Cold War era has been replaced by the worldwide threat of “Islamic terrorism”.

54. Whereas Russia and China have become capitalist “free market” economies, a first strike pre-emptive nuclear attack is nonetheless contemplated.

55. China and Russia are no longer considered to be “a threat to capitalism”. Quite the

opposite. What is at stake is economic and financial rivalry between competing capitalist powers.

56. The China-Russia alliance under the Shanghai Cooperation Organization (SCO) constitutes a “competing capitalist block” which undermines U.S. economic hegemony.

57. [In May 2014, the Russian Aggression Prevention Act \(RAPA\)](#) was introduced in the US Senate (S 2277), calling for the militarization of Eastern Europe and the Baltic States and the stationing of US and NATO troops on Russia’s doorstep

58. In Asia, the U.S. has contributed under its “Pivot to Asia” to encouraging its Asia-Pacific allies including Japan, Australia, South Korea, The Philippines and Vietnam to threaten and isolate China as part of a process of “military encirclement” of China, which gained impetus in the late 1990s.

The Dangers of Nuclear War

59. In the wake of the Cold War, an understanding on the dangers of nuclear war (MAD) no longer prevails. Publicly available military documents confirm that pre-emptive nuclear war is still on the drawing board of the Pentagon. Compared to the 1950s, the nuclear weapons are more advanced. The delivery system is more precise.

60. In addition to China and Russia, Iran, Syria and North Korea are targets for pre-emptive nuclear war. Let us be under no illusions, the Pentagon’s plan to blow up the planet using advanced nuclear weapons is still on the books.

61. With an explosive capacity varying between one third and six times a Hiroshima bomb, mini-nukes are said to be “harmless to civilians”. [Pre-emptive nuclear war is portrayed as a “humanitarian undertaking”](#). Scientists on contract to the Pentagon have endorsed the use of tactical nuclear weapons: they are “harmless to civilians because the explosion is underground.”

62. The Pentagon has confirmed its policy of [a nuclear first strike against the Russian Federation in response to Russia’s alleged aggression against Ukraine](#). If these US nuclear strikes were to be implemented, humanity would be precipitated into a Third World War, which could potentially be the “final war” on planet earth.

63. Should we be concerned? The people at the highest levels of government who decide regarding the use of nuclear weapons haven’t the foggiest idea as to the implications of their actions. Blowing up the planet through the use of nuclear weapons is fully endorsed by presidential candidate Hillary Clinton, who believes that nuclear weapons are instruments of peace-making. Her election campaign is financed by the corporations which produce WMDs.

Pentagon 1959 Plan to implement a Nuclear Holocaust:

Excerpt of list of 1200 cities targeted for nuclear attack in alphabetical order

Fidel Castro on the Dangers of Nuclear War

64. *"The conventional war would be lost by the US and the nuclear war is no alternative for anyone. On the other hand, nuclear war would inevitably become global"*

65. *"I think nobody on Earth wishes the human species to disappear. And that is the reason why I am of the opinion that what should disappear are not just nuclear weapons, but also conventional weapons. We must provide a guarantee for peace to all peoples without distinction"*

66. *"In a nuclear war the collateral damage would be the life of humankind. Let us have the courage to proclaim that all nuclear or conventional weapons, everything that is used to make war, must disappear!"*

67. *"It is about demanding that the world is not led into a nuclear catastrophe, it is to preserve life." Fidel Castro Ruz, Havana, October 2010. (Recorded by Michel Chossudovsky, Havana, October 2010, image right, Fidel Castro, Michel Chossudovsky)*

Fukushima: Worldwide Nuclear Radiation

68 [The Fukushima disaster in Japan has brought to the forefront the dangers of Worldwide nuclear radiation.](#) The crisis in Japan has been described as “a nuclear war without a war”.

69. In the words of renowned novelist [Haruki Murakami](#): *“This time no one dropped a bomb on us ... We set the stage, we committed the crime with our own hands, we are destroying our own lands, and we are destroying our own lives.”*

70. Nuclear radiation –which threatens life on planet earth– is not front page news in comparison to the most insignificant issues of public concern, including the local level crime scene or the tabloid gossip reports on Hollywood celebrities.

71. The shaky political consensus both in Japan, the U.S. and Western Europe is that the crisis at Fukushima has been contained. The truth is otherwise. Known and documented, the ongoing dumping of highly radioactive water into the Pacific Ocean constitutes a potential trigger to a process of global radioactive contamination.

72. This water contains plutonium 239 and its release into the Ocean has both local as well as global repercussions. [A microgram of plutonium if inhaled, according to Dr. Helen Caldicott, can cause death](#)

Geo-engineering: Modifying the Weather for Military Use

73. Environmental modification techniques (ENMOD) for military use constitute, in the present context of global warfare, the ultimate weapon of mass destruction.

74. Rarely acknowledged in the debate on global climate change, the world’s weather can now be modified as part of a new generation of sophisticated electromagnetic weapons. Both the US and Russia have developed capabilities to manipulate the climate for military use.

75. [Weather manipulation is the pre-emptive weapon par excellence](#). It can be directed against enemy countries or even “friendly nations”, without their knowledge. Weather warfare constitutes a covert form of pre-emptive war. The manipulation of climate can be used to destabilize an enemy’s economy, ecosystem and agriculture

The Resurgence of Nazism in Ukraine

76. [The forbidden truth is that the West has engineered in Ukraine](#) –through a carefully staged covert operation– the formation of a proxy regime integrated by Neo-Nazis.

77. Unknown to most Americans, the US government is channeling financial support, weapons and training to a Neo-Nazi entity –which is part of The Ukraine National Guard– The Azov Battalion (Батальйон Азов). Canada and Britain have confirmed that they also are providing support to the National Guard.

78. The Azov Battalion –which “officially” displays the Nazi SS emblem is described by the Kiev regime as “a volunteer battalion of territorial defense”. It’s a National Guard battalion under the jurisdiction of the Ministry of Internal Affairs, the equivalent of America’s Homeland Security.

79. The Azov battalion supported by its Western partners is not only involved in paramilitary operations in Eastern Ukraine. [it is also running a Summer Camp military training project for young children as part of its broader training and Nazi indoctrination program.](#)

80. With Svoboda and Right Sector political appointees in charge of national security and the armed forces, a real grassroots protest movement directed against the IMF’s deadly macroeconomic reforms, will in all likelihood be brutally repressed by the Right Sector’s “brown shirts” and the National Guard paramilitary led by Dmitri Yarosh, on behalf of Wall Street and the Washington consensus.

The Police State

81. Rather than addressing an impending social catastrophe, [Western governments, which serve the interests of the economic elites, have installed a “Big Brother” police state](#), with a mandate to confront and repress all forms of opposition and social dissent.

82. [The Department of Defense now authorizes the domestic deployment of US troops](#) in “the conduct of operations other than war” including law enforcement activities and the quelling of “civil disturbances”.

83. The repeal of democracy is portrayed as a means to [providing “domestic security” and upholding civil liberties](#).

84. An FBI department established in 2004 under the Bush administration was conducive to [the integration of law enforcement and domestic spying](#). Its mandate was essentially political, directed at curbing all forms of social and political dissent in America.

85. According to a 2004 Report of the Homeland Security Council, [these domestic “conspirators”](#) are said to be acting in coordination with “foreign terrorists”. The Report identified “domestic radical groups” and “disgruntled employees”.

The November 13, 2015 Paris Terror Attacks

86. The November 13 attacks were immediately followed by the enactment of [a State of Emergency, the closing of France’s borders and the suspension of civil liberties](#) as a means — according to president François Hollande— to safeguarding democratic values.

87. The tragic loss of life has been used by the Hollande government (with the support of the media) to harness the public into accepting the implementation of police state measures in the interest of French Republic, namely protecting France’s national security against an illusive self-proclaimed “Islamic State” based in Northern Syria, which happens to be a creation of US intelligence.

88. The measures also included procedures which enable the police to conduct arbitrary arrests and house searches without a warrant within the Paris metropolitan area opening up the development of a potential hate campaign directed against France’s Muslim population.

89. These drastic police state measures (including the repeal of habeas corpus) ordered by president Hollande were decided upon prior and in the absence of a police report.

Reversing the Tide of War, Building Peace, Democracy and Social Justice

90 War propaganda has become increasingly pervasive. War is upheld as a peace-making operation.

Image: War and Peace by Anthony Freda

91 When war becomes peace, the world is turned upside down. Conceptualization is no

longer possible. An inquisitorial social system emerges. The consensus is to wage war. People can longer think for themselves. They accept the authority and wisdom of the established social order.

92 [War however is not an inevitable process.](#)

93 [War can be prevented through mass social action.](#)

94. The issue is not whether the war will inevitably take place but what are the instruments at our disposal which will enable us to shunt and ultimately disarm this global military agenda.

95. War criminals occupy positions of authority. The citizenry is galvanized into supporting the rulers, who are “committed to their safety and well-being”. Through media disinformation, war is given a humanitarian mandate.

96. The legitimacy of war must be addressed. Antiwar sentiment alone does not disarm a military agenda. High ranking officials of the Obama administration, members of the military and the US Congress have been granted the authority to uphold an illegal war.

97. A significant segment of the antiwar movement has been co-opted. We are against war but we support the “war on terrorism”. We can rely on an ambiguous political discourse.

98. How does one effectively break the war and police state agendas?

99. Essentially by refuting the “war on terrorism” and America’s holy crusade against the “Islamic jihad” which constitute the very foundations of America’s national security doctrine.

100. Without the “war on terrorism”, politicians in high office do not have a leg to stand on. Once the Big Lie is fully revealed, their legitimacy collapses like a deck of cards.

101. How best to achieve this objective? By fully uncovering the lies behind the “war on terrorism” and revealing the fact amply documented that Western governments are supporting the terrorists, i.e. they are State sponsors of terrorism.

102. Media propoganda sustains the legitimacy of “war on terrorism”. “Evil folks are lurking”, the jihad is said to be threatening the Western World

103. The corporate backers and sponsors of war and war crimes must also be targeted including the oil companies, the defense contractors, the financial institutions and the corporate media, which has become an integral part of the war propoganda machine.

Regime Change in the West

104. [What is required is a grass roots antiwar network, a mass movement at national and international levels](#), which challenges the legitimacy of the main military and political actors, as well as their corporate sponsors, and which would ultimately be instrumental in unseating those who rule in our name.

105. This is no easy task. The first step is to break the consensus, and that is done through what we might describe as counter-propaganda. It is in this context that Truth becomes a powerful weapon.

106. The construction of this type of network will take time to develop. Initially, it should focus on developing a firm antiwar stance within existing citizens' organizations (e.g. trade unions, community organizations, professional regroupings, student federations, municipal councils, etc.). In many of these, organizations, however, -which include NGOs such as Amnesty International-, the leadership has been coopted; many of these organizations are generously funded by corporate foundations. In turn, since 2003, the antiwar movement in Western countries is virtually at a standstill.

107. Breaking the Lie means breaking a criminal project of global destruction, in which the quest for profit is the overriding force.

108 .This profit-driven military agenda destroys human values and transforms people into unconscious zombies.

109. Let us reverse the tide by breaking the consensus, namely by breaking the propaganda apparatus.

110. Swaying public opinion is not enough what has to be undertaken is to break the process of internal propaganda within government, the judicial system, law enforcement, the military, intelligence, etc. Because ultimately these are the areas where decisions are taken.

111. The doctrine of the US Armed Forces is the "war on terrorism". It is deeply entrenched. It provides a "Just Cause" to war. It is the driving force behind the troops. It is used to provide legitimacy to the bombing raids. What needs to be done is to break the decision making process within the military through counter propaganda.

112. William Shakespeare's rightfully describes in our contemporary World the architects of the New World Order: "*Hell is empty and all the devils are here.*"

113. Our indelible task is to send the "devils" of our time, the self-proclaimed architects of "democracy" and the "free market", "down" to where they rightfully belong.
