With the FDA giving emergency use authorization (EUA) for the experimental Pfizer COVID mRNA vaccine, doses are currently in route to all 50 States and U.S. Territories.

In most of these states it is being reported that the first doses will be given to the elderly in nursing homes or assisted care facilities, and to healthcare workers.

The general public will probably not see these in the retail outlets, such as Walmart, Walgreens and CVS, until later this month.

Media reports in the Pharma-funded corporate media are downplaying or ignoring altogether the risks that this vaccine poses, and they are also in many cases erroneously reporting that this is an FDA-approved vaccine.

But as [we reported yesterday](#), where I linked to the actual guidelines published by the FDA right off of [their own website](#), the FDA is making it very clear that these are unapproved vaccines. In addition, the [FDA guidelines for recipients](#) state:

WHAT IF I DECIDE NOT TO GET THE PFIZER-BIONTECH COVID-19 VACCINE?

It is your choice to receive or not receive the Pfizer-BioNTech COVID-19 Vaccine. Should you decide not to receive it, it will not change your standard medical care.

Nobody, at least at this point, should be coercing you or anyone in your family to receive this vaccine. And no employer should be requiring it either.

Resist the Plandemic and New World Order Agenda!

For those of you who have chosen not to be brainwashed by the propaganda being broadcast by the Big Pharma-owned corporate media 24/7/365, you know by now that this is NOT a real pandemic, but a very well organized "[Plandemic](#)."

We have a page in our [COVID Information Center](#) with articles and films proving that this is a [Plandemic](#) that has been in the works for years now.

Bill Gates is the main person who has been master-minding this Plandemic working together

with other Globalists around the world to reach their ultimate goal with this Plandemic: The vaccination of every person on the planet, and a drastic reduction of the world's population.

This is NOT a "conspiracy theory," as Bill Gates announced this himself at the very beginning of the Plandemic, and he has also stated over the years many times that he sees vaccinations as necessary to reduce the world's population. See: [7 Billion Doses of COVID-19 Vaccine for World's Population of 7 Billion - Was This the Plan All Along?](#)

Protect Your Senior Family Members!

If you have family members or loved ones in nursing homes or assisted care facilities, you need to contact these facilities IMMEDIATELY and make sure that they do NOT have your consent to administer this vaccine to your loved ones, especially if you have any kind of medical power of attorney for them.

Do NOT assume that they will NOT give this experimental vaccine to your elderly loved one without your approval! More than likely you signed some sort of statement of medical care upon admittance to that facility that allows them to administer vaccines and other medical products without your approval.

If at all possible, get your senior loved one to sign a statement of REFUSAL TO RECEIVE THE PFIZER COVID VACCINE, and if you have medical power of attorney, you sign it as well.

Remember, the Pharma-owned corporate media has already begun trying to condition the public to accept DEATHS and other reactions from this experimental vaccine to be "normal," especially among seniors. See: [CNN: 'Don't Be Alarmed' if People Start Dying After Taking the COVID Vaccine](#)

When COVID was first being reported in the U.S. back in March and April this year, tens of thousands of seniors lost their lives, not necessarily from COVID, but because of the way they were treated, where in many cases they were put on ventilators which ended up collapsing their lungs and killing them.

The fear being driven by the media, along with isolating them from their family members who are their main advocates, also contributed to many of their deaths, all of which were blamed on "the virus." See: [Dr. Vernon Coleman: Your Government Wants You Dead - BANNED from YouTube](#)

Everyone needs to understand that American culture is now dominated by a eugenics mindset that has no value for Senior citizens, who are seen as a financial burden to the healthcare system, especially now during COVID.

Don't Let Medical Bureaucrats Bully You if you Work in Healthcare!

When this vaccine was first rolled out in the UK less than two weeks ago, some of the NHS medical staff suffered severe anaphylactic reactions after being injected with the Pfizer experimental COVID vaccine. This is what allegedly prompted the FDA to issue warnings about allergies and anaphylactic shock. See: [Life-Threatening Reactions to Pfizer COVID Experimental Vaccines Results in Warnings to People Who Have Allergies](#)

If you work in healthcare, don't risk your life for this vaccine, even if it means losing your

job! Seeing doctors and nurses get sick and not be able to work which in turn will put more stress on the hospitals is something that fits very well into the Globalists' plans at this point, because they will NOT blame it on the vaccine, but on COVID.

Remember, there is currently NO LAW that requires anyone to receive this vaccine. If you are suspended or lose your job over refusing to be injected, contact your union if you have one, or band together and hire a good attorney, because there is no legal basis to refuse anyone in healthcare employment based on compliance with an unapproved, experimental vaccine.

Nobody Needs this Vaccine! Effective and Safe Treatments Already Exist!

This is the real tragedy that our nation and other nations around the world are facing right now. There are literally tens of thousands if not hundreds of thousands of doctors and medical professionals around the world who are being censored for their effective COVID treatments. See: [Doctors Around the World Issue Dire WARNING: DO NOT GET THE COVID VACCINE!!](#)

Older, safer drugs such as hydroxychloroquine and Ivermectin are being used by thousands of doctors with a near 100% cure rate. Visit our [COVID Hydroxychloroquine Scandal](#) page and read about the Frontline Doctors, and also listen to Dr. Pierre Kory M.D. who testified before the U.S. Senate last week about all of the doctors in his group that are successfully treating COVID patients with older drugs.

The reason the FDA refuses to issue emergency use authorizations (EUAs) for these older drugs to be used on COVID is that it would make the EUAs issued to Pfizer's COVID vaccine and other new drugs recently all ILLEGAL!

And since President Trump and the Federal Government has decimated the U.S. economy and closed down almost 50% of America's small businesses so that TRILLIONS of dollars could be given to the Big Pharma Billionaires on Wall Street to develop these vaccines and new drugs, we know that it is impossible for them to promote these older drugs that are cheaper, safer, and much more effective.

They should all be arrested for Crimes Against Humanity, but instead the Pharma-owned corporate media has the American public fixated on the election results and the current power struggle to take over the White House, where no matter who ends up as President of the United States, Operation Warp Speed will continue full speed ahead to carry out the Globalists' eugenics and [Great Reset](#) agenda.
