[Big Tech's Effort to Silence Truth-tellers: Global Research Online Referral Campaign](#)

According to Wikipedia and other CIA-controlled Establishment media, you are currently visiting:

an *extremist* website
a *far-right* website
a *conspiracy theory* website
a *misinformation* website
a *far-left conspiracy* website
or something of that nature.

In other words, you are visiting an independent website that searches for the truth, wherever the trail of evidence may lead.

The Powers-that-be do not like websites that question or contradict the Official Narratives, whether those narratives pertain to the Covid plandemic, the "safe and effective" Covid clots that are actually quite harmful, climate change alarmism, the US/NATO war against Russia via proxy Ukraine, the subservience of the US Democrat/RINO Uniparty to globalist forces, or the ongoing US-backed Israeli genocide of the Palestinian people,

Silicon Valley traitors like Google and Facebook do NOT want you to share any such information, facts, opinions, reports, interviews, or documents.

Visiting any truth-telling independent website could disorient persons who have been brainwashed by the Mainstream Media (MSM) into believing the MSM's lies and propaganda. As former CIA Director William Casey said,

"We shall know our disinformation program is complete when everything the American

people believes is false.”

And CIA ex-Director William Colby observed: “The CIA owns everyone of any significance in the major media.”

So scrap everything you think you’ve learned from the New York Times, the Washington Post, your city newspaper, and the major TV networks.

Important Takeaways

- President John F. Kennedy, his brother Robert F. Kennedy, and Martin Luther King Jr. were all assassinated by US Government-orchestrated plots. These murders laid the groundwork for today’s belligerent US Empire run by a power-hungry, corrupt Military-Industrial-Congressional-Intelligence-Media-

Academia-Think-Tank complex.

- The three aforementioned murders were all the result of conspiracies. The CIA popularized the term “conspiracy theory” to discredit anyone who questions the nonsensical official explanation for JFK’s murder. Today the CIA-controlled Mainstream Media uses the term reflexively to smear and marginalize anyone who questions the Official Narratives regarding the Covid scamdemic, the lethal Covid genetic “vaccines,” the stolen elections of 2020 and 2022, the demonization of Vladimir Putin, or any other issue.
- The three World Trade Center towers in New York were destroyed on September 11, 2001 by carefully planned controlled demolition and other technologies, NOT by 19 Muslim terrorists in planes. Was it an inside job or an Israeli job? You decide. See [here](#).
- Joseph Biden stole the 2020 Presidential election. Trump won by a big margin. Biden, though senile, confused, and mentally unfit for the job, knows he is an illegitimate usurper.
- The Covid “vaccines” are NOT “safe and effective.” They’re not effective—they don’t stop infection or prevent transmission. And they most definitely are NOT safe. These dangerous, untested genetic cocktails have already killed and severely injured millions of people in the US and around the world. They should all be taken off the market immediately.
- The “Covid-19 pandemic” was a globally orchestrated scam based on:
 - fraudulent PCR diagnostic tests designed to yield false-positives up to 97% of the time
 - mountains of junk data of nonexistent “Covid cases”
 - wholly unscientific and counterproductive lockdowns, mask mandates, and absurd social-distancing rituals
 - 24/7 fear-porn propaganda generated by the Pharma-controlled Mainstream Media, the government, and the World Health Organization which is largely owned by billionaire vaccine fanatic Bill Gates, a college dropout with no medical training
 - an alleged virus that has been shown to exist ONLY as a computer simulation supplied to the US by a Chinese Communist Party-directed bioweapons lab
 - There was no apocalyptic killer virus. If any “novel” coronavirus does exist, it was milder than the seasonal flu according to the heavily

padding official data

- There is no climate emergency. "Climate change," formerly known as man-made "global warming," is a hoax designed to advance a globalist cabal's agenda. (See References below.) The same globalist cabal was behind the Covid scamdemic.

In conclusion, do NOT believe anything you read or hear in the corporate-controlled, CIA-massaged establishment media. Be skeptical of everything in the self-styled "liberal" and "progressive" media as well, since most of them support censorship, self-censorship, and the globalist cabal's agenda on many key issues.

Question everything. You should also question what you read and hear in the online independent news media, which may be the only place these days where the truth can emerge.

The truth will out.

This has been a Public Service Announcement.
