*The White House says recent comments made by **Elon Musk** about Anthony Fauci are “dangerous” and “disgusting.”*

“They are disgusting, and they are divorced from reality, and we will continue to call that out and be very clear about that,” said White House Press Secretary **Karine Jean-Pierre** in a Monday presser, before praising Fauci’s public handling of the Covid-19 pandemic.

Over the weekend, Musk tweeted: “My pronouns are Prosecute/Fauci,” eliciting widespread shrieks from the collective, **including from astronaut Scott Kelly**, who said “Elon, please don’t mock and promote hate toward already marginalized and at-risk-of-violence members of the #LGBTQ+ community.”

“Furthermore, Dr Fauci is a dedicated public servant whose sole motivation was saving lives,” he added.

Bitch please.

“**I strongly disagree,**” Musk replied the the left-wing brother-in-law of former Arizona congresswoman, Gabby Giffords.

“Forcing your pronouns upon others when they didn’t ask, and implicitly ostracizing those who don’t, is neither good nor kind to anyone,” he added.

“As for Fauci, he lied to Congress and funded gain-of-function research that killed millions of people. Not awesome imo.”

Fauci indeed **funded gain-of-function research** - [offshoring it to Wuhan, China](#) after the Obama administration [banned it in 2014](#).

What’s more, **House Republicans think he may have been involved in a cover-up**.

“We write to request a transcribed interview of Dr. Anthony Fauci, Director, U.S. National Institute of Allergy and Infectious Diseases (NIAID). **Excerpts of emails we are making public today (see enclosed Appendix I) reveal that Dr. Fauci was warned of two things: (1) the potential that COVID-19 leaked from the Wuhan Institute Virology (WIV) and (2) the possibility that the virus was intentionally genetically manipulated.** It is imperative we investigate if this information was conveyed to the rest of the government and whether this information would have changed the U.S. response to the pandemic,” reads a January, 2022 letter from Reps. James Comer and Jim Jordan to HHS Secretary Xavier Becerra.

The Worldwide Corona Crisis, Global Coup d'Etat Against Humanity

by Michel Chossudovsky

Michel Chossudovsky reviews in detail how this insidious project “destroys people’s lives”. He provides a comprehensive analysis of everything you need to know about the “pandemic” — from the medical dimensions to the economic and social repercussions, political underpinnings, and mental and psychological impacts.

“My objective as an author is to inform people worldwide and refute the official narrative which has been used as a justification to destabilize the economic and social fabric of entire countries, followed by the imposition of the “deadly” COVID-19 “vaccine”. This crisis affects humanity in its entirety: almost 8 billion people. We stand in solidarity with our fellow human beings and our children worldwide. Truth is a powerful instrument.”
