The answer imposes itself: The devil himself. Because there is no international law allowing such human tyranny. This is an elite-made "rules-based order" striking down any dictatorial, military-enforced command on humanity.

That's what the West has become since the Covid fraud, an empire led by evil itself.

The West has not just become a sea of criminal institutions, if not stopped NOW, it will continue with its drive to complete its eugenics and transhumanism agenda - way before 2030.

We, the People, must stand up NOW against this tyrannical attempt by foremost three key institutions to dominate, enslave and tyrannize to death most of the commons of world populations.

These institutions are:

first, the United Nations (UN) created with the aim to help resolve conflicts among countries and preserve peace in the world;

second, the so-called World Health Organization (WHO) which is everything but a defender of world health - because it is by over 80% funded by big pharma and by the genocidal type-criminal Bill Gates Foundation; and

third, by arguably one of the most corrupt institutions in the world, the European Union, with its unelected head, the European Commission (EC).

The EC calling the shots for 27 member countries, virtually all of whom are led by co-opted, utterly immoral leaders, graduates from the World Economic Forum's (WEF) academy for Young Global Leaders (YGL).

They have not just by accident been “democratically” elected to lead all of the 27 EU countries. These “elections” were and continue to be “manufactured and manipulated”, if We, the People, do not open our eyes and call STOP. Algorithms and Artificial Intelligence (AI) work wonders.

Democracy has ceased to exist long ago in the West, if, indeed, it ever existed. With its horrendous, exploitative and murderous colonial past, going a half a millennium back, the West, notably Europe, the roots of the West are anchored, has certainly never had an inkling and want for democracy.

To the contrary. But using the term *democracy* as a propaganda tool is perfect and has worked up to today. It even helps the European key colonizers to continue their dirty colonization in disguise.

These three agencies, UN, WHO, EU / EC, are all in bed with the WEF.

Or better, they are led by individuals compromised by the WEF.

UN Secretary General Guterres, is a close ally of WEF’s CEO Klaus Schwab,

Ursula Von der Leyen is on the Board of Trustees of the WEF,

and WHO’s Director General Mr. Tedros has been chosen and imposed by Bill Gates in the position he currently holds.

Gates is a strong supporter and ally of the WEF. Tedros was before a member of the Board of GAVI, the Vaxx-Alliance closely associated with WHO and which is physically located across the street from WHO in Geneva; and has of course immunity and a tax-free status in protective Switzerland.

The WEF too is but an executing agency – a willing executing agency. So, who is behind the WEF? Big-Big Finance. BlackRock is the largest single donor and supporter of this arguably world’s wealthiest and most criminal NGO, the WEF, located tax-free and legally protected in Geneva, Switzerland.

The power of Finance is the works of sociopaths. BlackRock is apparently negotiating with Volodymyr Zelensky the privatization of much of Ukraine. As it stands, BR owns already about 60% of Ukraine’s most fertile agricultural land.

Greed- and power-driven Big Finance has turned into a diabolical death cult, about to take over the world. First by drastically reducing the globe’s population, so Mother Earth’s generous but nevertheless limited resources will last longer for a small elite; and second, making of the survivors, 5G-driven digitally-manipulated transhuman slaves.

People’s eyes are kept shut by a tremendously corrupted Big Finance-bought Western media.

The purpose of this writing is to open eyes, and hopefully these opened eyes will open more eyes – and then more – and so on, until there is a critical mass that screams in unison “NO, NOT WITH US”, standing up in solidarity, tearing these Western *cum* UN institutions to shreds before they bring down our civilization.

We are indeed at a crossroads of the worst humanitarian catastrophe, worldwide destruction of the economy, engineered annihilation of agriculture, bringing about poverty, famine and eventually death. See this:

Only, We, the People, in SOLIDARITY, can and must stand up against these institutions, dismantle them and bring their leaders to justice. Because if we do not act now, we are doomed.

Now, listen to this absolute evil plan - once it's implemented, there is hardly a way back.

In order to justify their digital Vaxx and ID certificate tyranny, they are creating genetically-modified mosquitoes in military-grade laboratories. These mosquitoes will then be let loose to "vaccinate" people with selective diseases. One of the first such diseases is malaria, for which there is no real effective cure nor true vaccination.

What is good for malaria, could be done for much more deadly diseases like Ebola - which suspiciously broke out in a series of West African countries in 2012. The death rate of Ebola may be as high as 50%.

Genetically-modified disease-equipped mosquitoes would be very effective in killing people, hard to trace back, especially with the corrupted media making you believe that these outbreaks are real, as were predicted and warned by WHO, the UN and, of course, the ultra-philanthropist, Bill Gates, already years ago - and that you better get "vaxxed".

When the ambiance starts smelling of death, the flocking and running to the medical vaxx needle would hardly be avoidable.

Yet, such catastrophes, the crossroads of humanity's extinction or survival — would be the instruments of the "devil - clad in white collar and tie" - the uniform of financial supremacy.

Read this:

"Since the One World Government's "vaccine" con is essentially up, with bivalent DEATHVAX™ uptake currently at around 1.5%, the technocommunist sociopaths have realized that the best way to continue their eugenics program is by stealth.

Enter the genetically modified mosquito which has been expressly created to more effectively genetically modify humans; to wit:

A box full of genetically modified mosquitos successfully vaccinated a human against malaria in a trial funded by the National Institute of Health (NIH).

Gates's partner in crime Dr. Mengele 2.0 aka Dr. Fauci happens to for all intents and

purposes control the NIH, which “coincidentally” was illegally funding COVID-19 gain of function (GoF) research at the Wuhan virology institute.”

The UN, WHO, EC / EU – and of course, the WEF, diabolical institutions by nature and their leadership cannot be reformed, but must be dismantled for the sake of humanity.

Insight must be sufficiently powerful to open people’s eyes and ears, to mobilize them to action in SOLIDARITY, taking measures in spirit and unison, not in violence, but in deeds that vibrate worldwide at a level where a collapse into a civilization-ending abyss may be avoided.

“There is a crack in everything where the light shines through.”
