The Angel Warrior Network & Punisher Dallas is diving into learning about WHO (World Health Order) actually is. What their agenda is. How are they funded and Why do they want our sovereignty? Peter Koenig gives us some insight after years of working for them and other closely related companies. Join us for details and many links below will be listed for even more information.

Below is transcript of the interview.

Angel Warrior Network (AWN): Please tell us about WHO, your experience with them, who they work for, who finances them, how WHO was created.... And more.

Peter Koenig (PK): Before anything else — What we must know about is the **new WHO Pandemic Treaty**.

The World Health Organization has started drafting a **Global Pandemic Treaty** on pandemic preparedness that would grant WHO absolute power over global biosecurity, such as the power to implement digital identities / vaccine passports, mandatory vaccinations, travel restrictions, lockdowns, standardized medical care and more.

See this [“The Corbett Report’s”](#), where independent journalist [James Corbett](#) reviews what this Treaty is all about in details.

This *Pandemic Treaty*, if implemented, will change the global landscape and strip you and

me of some of our most basic rights and freedoms.

Make no mistake, the [WHO Pandemic Treaty](#) is a direct attack on the sovereignty of its member states, as well as a direct attack on your bodily autonomy.

It is a back door to Global Governance, to Global Tyranny imposed by Fear over your Health.

AWN: Is there a WHO meeting May 22-26, 2022 where WHO is seeking to be given complete sovereignty over the people of the United States and of the world, for that matter?

PK: Yes, there is.

It's called the "Pandemic Treaty", as mentioned before.

There is a ridiculously short period foreseen for comments - 16 and 17 June 2022 - indicating that they are not interested in receiving comments, especially not critical comments or objections.

Then there are new debates scheduled more intermediary presentations and perhaps again comments?

For now, the plan is that a final version of the **Pandemic Treaty** would be presented to the World Health Assembly (WHA) in the Fall of 2023 and if approved, the **Pandemic Treaty** will become "International Law" (sic) overruling every nation of the world's sovereign Constitution.

Please Note: There is no provision of any International Law that would give the UN, let alone a UN agency, power to override individual and sovereign nations' constitutions. NONE!

What is being planned is totally and absolutely illegal, by any standard of legality that humans have ever created. Any traditional laws as we know them, international or national laws, are overturned or simply ignored. They do no longer exist for the all-commandeering cabal, the dark cult which is currently hanging over humanity and pretending commandeering humanity.

People must know that. People MUST reject the US and EU-supported/promoted WHO's planned "**Pandemic Treaty**".

We can still stop it - but we MUST follow the truth, MUST follow the LIGHT.

Evil cannot survive in the Light, as a thief cannot survive in the light; he will be caught, arrested and immobilized.

We must not be afraid; FEAR is their weapon.

But we must be determined to work in the LIGHT and to seek the truth, not propaganda but the TRUTH.

AWN: Who are the top contributors to the WHO?

PK: The largest contributor is the US, followed by Bill Gates. Bill Gates was number 2 until recently. By now, he may have been taken over by a number of pharmas - like the about 20

vaxx pharmas of GAVI (*The Vaccine Alliance*) - housed in a modern glass-building just next door of WHO... that speaks for itself.

GAVI is a non-tax paying NGO - maybe the world's richest NGO, next to the World Economic Forum or the WEF, also an NGO, also housed in Geneva and also tax-exempt.

The vaxx corporations lobbying for new Covid "variants" more and different vaxxes, none of them, of course as effective as they should be, especially as far as Covid-19 is concerned. But the Vaxx-Alliance comes along with lots of money and influence.

When President Trump, who knew very well what's behind WHO, took the US off WHO, Gates was for a short while the largest single contributor to WHO; larger than any mandatory member country contribution.

In the meantime, under President Biden, the *Globalist President*, the US is back... as a key member of WHO, and again the main contributor.

Let's look at ***the funding of WHO:***

Depending on the year, between two-thirds and three quarters of WHO's total budget comes from private contributions, most of them from Bill Gates and the pharma industry, i.e., GAVI and others.

The balance - the lesser portion of WHO's budget funding - comes from member countries' mandatory contributions. This is quite different from regular specialized UN agencies, like ILO, WTO, UNICEF, others, where close to 100% of their budget stems from member countries' contribution.

The proximity between WHO and GAVI, their way of being intertwined assures a constant interchange of ideas, policy proposals, of course vaccination ideas... as we know them, as well as "create" diseases (yes, Covid was lab-created, as was Ebola, HIV and many others) — real or fake, but at least in the minds of people they are real, generating fear, and fear generates obedience and submission. Fear, constant fear propaganda, creates weakness of will-power, and willingness to survive.

This is done with hugely psychological and generously taxpayer-funded propaganda, to serve at least two purposes,

(i) lucrateness of the vaxx pharmas, and

(ii) trial and error of "emergency" vaxxes, for example the so-called Covid-19 mRNA-"vaccination". Judging from the tens of thousands of vaxx injuries and deaths following

vaccination.

Mind you, vaccination started only in December 2020, so these tremendous numbers of injuries and deaths occurred within less than 18 months, and the numbers are rapidly increasing, as time goes on.

One might assume that there is another than a health agenda behind the vaxxes, one helping to reduce the world population. A eugenist agenda?

As we experience it today, it seems to work as country statistics indicate. In the US it is the Vaccine Adverse Event Reporting System, or **VAERS**. It is a passive reporting system, **meaning** it relies on individuals to send in reports of their experiences. On average, only about 1% to 5% of vaxx injuries or deaths are reported. Yet, VAERS reports way more deaths from the vaxxes than from Covid.

In Europe, vaxx injuries and deaths are reported to the **European Medicines Agency**, or **EMA**. The proportion of reporting is about the same as in the US. These are estimates only, as nobody verifies the figures.

When we listen to **Dr. Mike Yeadon**, former VP of Pfizer and Chief Science Officer of Pfizer, all those who have been vaxxed with mRNA-jab, most of them by coercion or lie-propaganda, may develop potentially deadly diseases within the next 2-5 years.

Many will die - for reasons which will be difficult to trace back to the vaxx. But overall death statistics will show the onslaught and increase of annual death rates, coinciding with the forced, coerced mass vaccination.

Such trial vaxxes, as are mRNA injections, can only be used in an emergency. Thus, in 2009, on the occasion of the (fabricated) Swine Flu (H1N1) epidemic, WHO changed the rules for how a pandemic could be declared.

Today it has nothing to do anymore with the ratio of death to disease, and the number of infections. Declaring a pandemic is simply based on how far spread the disease is. Covid, for example, traveled the world extending itself from one day to the next over the entire globe.

Apparently most scared-to-death people don't realize, or don't want to realize, how nonsensical such declarations are. Because they come from WHO and from governments, from the authorities you always believed in and counted on them to protect you. Therefore, it is impossible for you to think that they miserably lie to you.

That is called "**cognitive dissonance**"; according to psychologists, it is one of the most difficult mental diseases to heal.

We know latest since Covid that propaganda can spread a disease in a matter of hours, not even days, around the world - which is enough reason to declare a pandemic.

Under this new rule, WHO can declare the annual flu as a pandemic - with a vigorous vaxx mandate.

AWN: How and by whom was WHO created?

PK: In many ways, WHO is not a real UN agency, like most others.

It was created in 1948 by the Rockefellers as a world health agency, following the pattern of the PAHO scheme. PAHO, the Pan-American Health Organization, was created in 1902.

The new WHO was then integrated into the UN system, at the behest of – and with the money of – Rockefeller’s Standard Oil fortunes.

At that time Standard Oil had literally a world monopoly on oil supply, it was broken up under the Anti-Trust Law in the 1990’s, but then somehow recomposed into different corporations of which the bulk is still in Rockefellers possession.

There is more – until the mid-fifties approximately, most medicines were plant-based. Rockefeller changed all this; as the owner of the biggest oil production company, he knew that plant chemicals could be replicated by petro-chemicals.

Hence, medication of all types, needed or not – more or less dangerous ones — skyrocketed, multiplied exponentially, when Rockefeller’s idea of oil-based medicine was realized. That’s also when Big Pharma bloomed, and with the new (since 2009) *pandemic rule*, and soon – God forbid – the new *Pandemic Treaty*, will make sure that the pharma bonanza continues forever.

We must not forget, Rockefeller and Gates, for that matter are among the world’s most notorious eugenists.

To expand on Henry Kissinger’s infamous saying:

“Who controls the food supply controls the people; who controls the energy can control whole continents; who controls money can control the world.”

Add this: ***“Who controls health, decides over life and death.”***

That maybe very well the Rockefeller-Gates reason to control WHO – and to control the world population’s health, i.e., life and death.

AWN: WHO is Dr. Tedros, the WHO Director General?

P.K. The official Wikipedia version says:

Tedros Adhanom Ghebreyesus is an Ethiopian public health researcher, and official who

has been Director-General of the World Health Organization since 2017. Tedros is the first African in that role, and was endorsed by the African Union.

Tedros is (was?) also a lead-member of the Ethiopian/Eritrean [Tigray People's Liberation Front](#), a leftist rebel group.

He is a biologist by training.

Dr. Tedros is also the first WHO DG who is not a medical doctor.

He was born in 1965 in Asmara, the capital of what today is known as independent Eritrea.

But now comes the agenda of his career:

Gates met Tedros at Addis Ababa University when Tedros was moderating a speech of Gates on the importance of vaccines.

Tedros was selected by Bill Gates, first as Board member of GAVI; later Gates proposed him as DG of WHO.

Tedros eventually was approved by the WHO General Assembly in 2017.

Of course, why would the WHO General Assembly not approve a candidate proposed by Bill Gates, the organization's second largest donor? At one time, namely when Trump made the US exit WHO, Gates was the biggest single donor of WHO.

The bulk of funding of UN agencies usually comes from member contributions, and some trust funds of private donors.

As mentioned before - in the case of WHO - the far biggest proportion of WHO's budget comes from private sources, i.e., the Bill Gates Foundation and the pharma industry's myriad of "philanthropic" Trust Funds.

AWN: How does Bill Gates tie in?

PK: Bill Gates is everywhere.

- He is behind the WHO agenda - he is the world's vaxx-czar.
- He is the creator of GAVI
- He selected Dr Tedros as WHO DG.
- He promotes the mRNA, experimental injections - never been approved by CDC, nor any other national vaccine approval board as a vaccination.
- Gates convinced WHO to declare *Covid as a Health Emergency in March 2020*, so CDC could grant the mRNA (non)-vaxxes an emergency permission.
- He is the "inventor of Agenda 2021" - leading to the Vaccination passport through a QR-coded electronic data collecting system, that can hold up to 30,000 individual data-entry per person.

And more.

Gates is everywhere.

He promotes the manmade (sic) climate change agenda.

He buys huge surfaces of agricultural land in the US and elsewhere, so he can eventually help dictate what people have to eat, and more specifically, what people are no longer allowed to eat – transforming the bovine industry into an artificial meat industry.

As to the QR code, and extension of Agenda 2021 – who controls the QR code system, knows you better than you know yourself. It makes you vulnerable and manipulable.

The QR code is extremely dangerous, has invaded every corner of our lives and **MUST** be stopped. But it can be stopped only, if people know what it is.

Bill Gates is also a notorious admitted eugenicist and so was his father, so are the Rockefellers, and many more of the infamous billionaires.

Bill Gates is also a Globalist and he defends the Globalist Agenda, one that leads to a One World Order, to a Global Governance, if we do not stop it. It's the Plan of the Great Reset, and of the UN Agenda 2030.

AWN: What about Population Control?

PK: What we are confronted with has been under preparation for many decades – maybe as long as 100 years.

It is a diabolical plan to control the world's population, under many different pretexts – manmade climate change is one of them, it's a lie a **BIG LIE**.

Just as a sideline –

- Climate change has always existed – you can go back to history for millions of years; the variations of temps are between 2 to maximum 5 degrees C.
- The main cause for temperature/climate changes is our sun, solar movements, solar activities.
- When solar activities cease for a while – which has happened twice, some 640 and 710 million years ago, the so-called **Cryogenian period** – the world became like an ice ball, the **Snowball Earth**.

Google says: Scientists contend that at least two Snowball Earth glaciations occurred during the **Cryogenian period**, roughly 640 and 710 million years ago. Each lasted about 10 million years or so. The main evidence of the severity of these events comes from geological evidence of glaciers near the equator.

So, don't fall for the climate change LIE.

It's just another strategy to scare you, to make us feel guilty, to instill fear in Us, the People.

The current agenda, the so-called UN Agenda 2030, in ten years it has to be carried through. We are currently in year three. Agenda 2030 is identical with the WEF's *Great Reset*, and synonymous with the WEF's 4th *Industrial Revolution*.

The Great Reset's, alias Agenda 2030, three major goals are:

1. Massive depopulation – the eugenists agenda. This may happen partly (largely) as a result of the mRNA-fake vaxxes, partly due to the artificial famine being created by the Ukraine war, supply chain disruptions, full or partial lockdowns, and because of the abject misery that poverty will instill and impose – leading to suicide and all sorts of diseases, some of them indeed deadly.

It is also important to know that nothing, but absolutely NOTHING happens as a coincidence.

1. Transferring of assets / capital from the bottom and the middle of the social stratum, to the top – to the already-billionaires, and to the gigantic Financial Corporations, mentioned before, BlackRock, Vanguard, State Street, Fidelity and more, and finally

Klaus Schwab's wet dream, the Fourth Industrial Revolution:

1. Digitization and robotization of everything – money, work processes – even the human brain. According to **Yuval Noah Harari**, Klaus Schwab's top adviser – we, humans are 'hackable animals' – his words – and transformable into transhumans, basically robotization. See this [CNN video \(12 min\)](#).

At the end, when all is successfully implemented by 2030, the Great Reset makes us believe ***"You Own Nothing, But You Are Happy"***

This will not happen as **WE SHALL OVERCOME.**

LIGHT WILL REIGN OVER DARKNESS.
