SPEAKING TRUTH TO POWER: WHY WE NEED TO UNCOVER THE 9/11 DECEPTION

The 9/11 Consensus Panel has developed 48 Consensus Points of evidence (some of it new) refuting the official narrative of 9/11: <http://www.consensus911.org/the-911-consensus-points/> This work has been translated into Dutch, French, German, Italian, and Spanish.

A selection of Panel members will host a discussion about the ongoing importance of the 9/11 deception, including selected Consensus Points. There will be time for questions.

The Panel employs a systematic medical model to determine the “best evidence” regarding the events of 9/11.

Panel Members include science academics, engineers, attorneys, commercial pilots, journalists, and others. Their bios are at <http://www.consensus911.org/panel-members/>
